January 2016

Dear Parents,

Happy New Year to you!

We welcome you back to this wonderful New Year! We hope you had a truly restful break. We are starting up with many exciting activities so be sure to watch your calendars.

Teachers will be evaluating the children during this time as they prepare for conferences in February.

As we never know what the weather will bring, please, don't forget to send winter gear (boots, hats, mittens, etc.) for your child because we will be going outside to enjoy the fresh air as much as possible. Please encourage your child to put on their winter gear by themselves. This would be a great help as we get the children ready to go out to play. Please **mark all outer clothing** with your child's name. (don't forget the shoes!)

Thank you to all who helped out with our Christmas program, it was wonderful! God proved once again that He is ruler over all. Thank You also for your generous offering, we received \$196.00 with the offering and DVD sales.

HAPPY NEW YEAR!!!

Vision & Hearing

A representative from the Lake County Health Department will be here February 8 & 9 to test each child's vision and hearing. The fee is \$4.00. If you have any questions please talk to Lisa.

Openings

We currently have openings all of our classes. If you have friends with children who are 4 or 5 years-old, please let them know. We will continue to enroll children now through March. Open Registration for next year will begin in March with our Open House the week of March 8-11. Circle Center families will have the opportunity to register before that week. More information will be sent home in February.

Library

The library will be open this month on **Jan 13 & Jan 14**. The library is open from 11:00am until 12:00 noon. Parents and caregivers are welcome to come in at 11:00, before the children are released from school. Along with a nice selection of children's books, there are also parenting, self-help and Christian fiction books for adults.

Scholastic

Thanks to all who ordered with the last set of book orders! We were able to get a few new classroom titles as well as share a special gift with each of the children. There will be 2 more chances to order this year.

Follow the Star

Early in January room 1 will be going on a mini fieldtrip as they search the complex for a special star. Be sure to ask your child about it.

Wipes

Please think of us in the New Year with an extra container of wipes. We use both baby wipes and Clorox wipes Thanks!!

Learning to Read through Play BEING TAUGHT TO READ

*When a child creates with blocks,
When he communicates with paints,
When he uses his body freely as a
means of expression,
He is being taught to read.*

*When a child uses his whole body-
Two eyes, two hands, two arms, two
legs and knees
and feet- to pull himself up a scary
slanted board,
He is being taught to read.*

*When a child hears good adult
language,
And when he has the fullest, freest
chance
To use his own language,
He is being taught to read.*
