Last day of school

For those returning next year:

We will be sending out our summer letter in July. It will include additional forms to fill out, for those who have not completed them, the schedule for the beginning days of school and a reminder that the **first month's tuition is due by July 15**. October's fees will be due the first week of school. You can mail the payment, drop it off in the church office, or bring it in on any Wednesday morning. (Please **do not** slip it under our door – it can be easily lost that way.)

Parents,

Here we are, the last month of the year already! May is a fun and busy month at Circle Center. You notice on the calendar that we are preparing for the Parent's Tea on the 12th. The children will be making some of the decorations. They will also be receiving a certificate in recognition of their year at Circle Center. We hope you are planning to attend. Please note that **ALL CHILDREN ATTEND THIS DAY** and this is **NOI** the last day of school. We still have two full weeks of school after the "Tea" with many activities. This is a good way to end the school year and get ready for summer.

For any parent who may need to contact us after school closes in May, Lisa or I plan to be in the office on most Wednesday mornings during the summer. If we are not in when you call, please leave a message and we will get back to you.

We have enjoyed getting to know many of you. Thank you for sharing your children with us. We love each one of them and it has truly been a pleasure and a privilege to be a part of their lives.

Have a safe and happy summer!

Mary King

Openings!

Spread the word!!! We still have openings for next year. If you have friends that would like to visit, there is still time to make an appointment to come in and see the classes "in action". Please contact Mrs. King or Mrs. Lisa for more information about these openings at 847-746-8607. If you are planning on enrolling your child please let Lisa know soon. Thank-you.

Room 2 Library

We will be switching days each week as to when we walk to the library. This will give the opportunity to all of the class. Please see the monthly calendar for the week your child will be going. We may switch actual day pending on the weather.

Hop-a-thon

We had a great time hopping for MDA again this year. Through this program the children learned about disabilities and had fun hopping to help. Thank you for participating and a special thank you to our grandparents for counting the hops! So far we have collected \$209.00 this year. If you have not turned in your money yet, please do so a.s.a.p.

Clothes:

If your child borrowed Circle Center clothing during the school year and you forgot to launder and return it, please do so before the end of the school year. Thank you.

Survey:

You will receive a survey at the Parent's Tea please be sure to turn it in to the office. We appreciate your input to help us prepare for the years to come. Each of you is a very valued part of our program.

Critters

Larvae have arrived in both classrooms; we are looking forward to having lady bugs and praying mantis by the end of the school year.

DVD's

You can still order a Spring DVD if you did not do so in December. The cost is \$10 for the spring slide show. All orders and payment must be received no later than Friday, May 6th. Parent's Tea and field trip pictures will not be on the DVD so please bring your cameras. The DVDs will be ready by the last week of school.

Water Day

We will not be "swimming" on water day so, **NO SWIMSUITS PLEASE.** Have your child dress in lighter clothes and maybe send an extra set just in case. We will be having water activities like boats and bubbles.

THANK YOU!

Thank you parents for the many ways you have participated at Circle Center this year: for the snacks, the paper towels and Kleenex, for coming and helping on special days, for sharing in our classrooms, for participating in our fundraisers, for donations of toys and other supplies, and most of all, for bringing your precious children to Circle Center. Thank you.
